Dear Mrs Manley.

First I don't think your club is handicapped by the loss of some of your men by the three beatings you gave our club Sunday. I talked to Mr. Jackson and he told me to O.K. Sept 14th at Polo Grounds. I mentioned that Grays would be in play off. He said regardless of play off to O.K. 14th at New York. I am writing to Mr. White & Ludlow. I am going to ask for 10% gross with 750⁰⁰ guarantee. also 100⁰⁰ rain guarantee. Crowd not so hot at Columbus. The Western Clubs have played too many games there. Could not do anything at Boston for Sept 7th. I am sending publicity to Washington for Sept 14th.
